

Ambar Soap Private Limited

We are one of the trusted **manufacturer and supplier** of a wide range of quality Detergent Soaps, Powders, Liquid Cleaners and Hand Wash. These products are widely appreciated for their excellent cleaning properties and superb fragrance.

Profile

We, '**Ambar Soap Private Limited**', are **manufacturing, supplying and distributing** a cost-effective range of **Detergent Soaps, Powders, Liquid Cleaners and Hand Wash**. Our range is widely acknowledged by the clients for its effective cleaning property, longer shelf life, accurate composition and skin-friendliness. Moreover, these products are excellent cleaning agents and provide effective results.

All our products are manufactured as per the international quality standards, using premium ingredients like quality oils, glycerin and others at our state-of-the-art infrastructure. Our production unit, equipped with the requisite facilities, helps in the smooth flow of business activities. Furthermore, we offer the range of our processed products in tamper-proof and attractive packaging to ensure their safe delivery at the clients' end.

We have been able to touch the heights of success under the able guidance of our mentor, '**Mr. B.S. Pansare**'. He has been a constant source of guidance and motivation for us.
