

Ashwini International

www.indiamart.com/ashwini-international

We are engaged in manufacturing, supplying and exporting an extensive range of Dyes & Pigments. Our product range is highly demanded by the clients for its features such as accurate composition, eco-friendliness and non-toxicity.

Profile

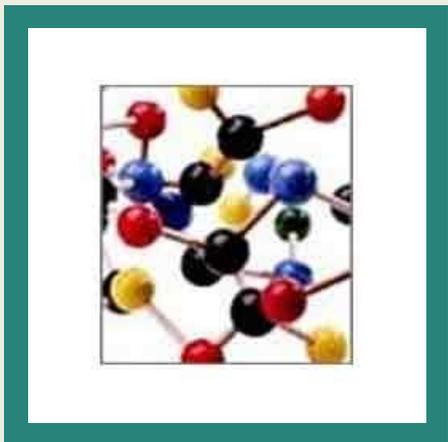

Established in the year **1994**, we, "**Ashwini International**", are engaged in manufacturing and supplying various types of **Dyes & Pigments**. The range offered by us includes **Acid Dyes, Direct Dyes (Non Benzidine), Pigments, Reactive Dyes** and **Solvent Dyes**. The products offered by us are processed using premium quality ingredients and are stringently tested on certain quality parameters. Thus, it enables us to provide products that fulfill different industrial purposes specified by the clients. These dyes and pigments are highly demanded and acknowledged for their attributes such as safe usage, environment-friendly, purity and accurate composition. **We are also Manufacturer of Pigment Emulsion (Textile), Pigment Paste for Paint Industries** in the name of Anjani Enterprise at Narol Ahmedabad. Acting as a sourcing & commission agent, we cater to all the import and export requirements specified by the customers related to pigments, dyestuffs and intermediates. Owing to our sourcing capabilities and vast market associations, we have been supplying the showcased products to our clients at competitive prices. Further, with the support of our infrastructure, we are able to timely meet the bulk demands of the clients. Moreover, as we follow ethical business practices, we have been able to provide maximum customer satisfaction. We are headed under the guidance of our owner, "**Mr. Aashish Dole**", who is the major support of our firm. His knowledge and experience about the industry have enabled us to muster a huge client list across the domestic markets.
