INTRODUCTION & CONSTITUTION

We are a Private Limited Company established in **1999**. We are one of the leading quality manufacturers and suppliers located in the **central region, INDORE**, supplying across the country. We started with manufacturing all kinds of **water storage tanks and loft tanks** mainly in the name of -

“CAMPUS”

We have also ventured into blow moulding products in single & double layer technology of sizes 3 ltr to 500 ltr. We are manufacturing various products like **milk can, oil and jerry can, drums, plastic dustbins, floating dock and customized items**.

LOCATION & INFRASTRUCTURE

Our manufacturing unit is situated at Palda, INDORE (M.P.) and it is 4 KM from Railway Station, Transport Nagar and 8 Km from the Airport.

Our factory premises are spread across an area of 50000 square feet which is dedicated to ROTO MOLDING & BLOW MOLDING Products

We have a strong team including skilled, semiskilled and unskilled staff.
