EMC Automation Private Limited

<http://www.emcautomations.com/>

We are a renowned manufacturer of Monitoring & Control Instruments. Our product range is highly appreciated in the market for high accuracy, modular concept, corrosion resistance and economical price.

About Us

The Brand Name “EMC” Incorporated in the year 1986; EMC Automation Private Limited is recognized amongst the affluent manufacturer of Monitoring & Control Instruments. Our product range includes Programmable Logic Controller, Temperature Control Instruments and Digital Counters which are known for their excellent performance, robust construction, easy installation, elevated durability, high efficiency and longer service life. Apart from this, we provide this range in various standards and customization options as per the application requirements of our clients. Moreover, our ethical business practices blended with customer centric approach has provided us huge clientele base.

Further, to handle all these units in an efficient and organized manner, a team of dexterous professionals has been appointed by us. Each product is vigilantly examined before its final delivery at client’s end.

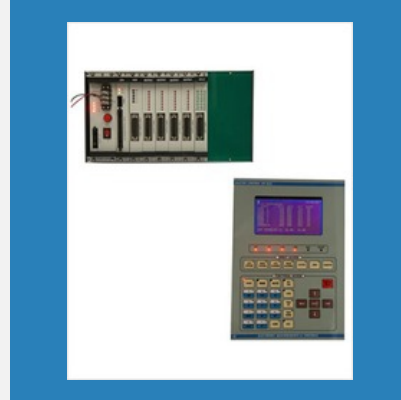

With the able guidance of our Directors, Mr. B. K. Jaiswal & Mr. K.G.Pillai, we have witnessed the acme of success in the market. Their rich industry experience and immense domain expertise guide us to provide clients the highest level of satisfaction.

PROGRAMMABLE LOGIC CONTROLLER

Programmable Logic Controller (PLC TS-01)

Programmable Logic Controller (PLC HP-02A)

Programmable Logic Controller (PLC INJ-02)

Programmable Logic Controller (PLC HP-12)

Programmable Logic Controller (PLC HP-14)

Programmable Logic Controller (Micro PLC)

PROGRAMMABLE LOGIC CONTROLLER

Nano Programmable Logic Controller (01)

Nano Programmable Logic Controller (02)

Programmable Logic Controller (PLC 04,06,08)

Programmable Logic Controller (PLC INJ-57)

Programmable Logic Controller (PLC PET-01)

Programmable Logic Controller (PLC PET-02)

PROGRAMMABLE LOGIC CONTROLLER

Programmable Logic Controller (PLC TS-35)

Programmable Logic Controller (PLC TS-57)

Programmable Logic Controller (PLC HPTS-02)

TEMPERATURE CONTROL INSTRUMENTS

Digital Temperature Controller Push To Set

Temperature Controller

Hot Runner Temperature Controller

Temperature Controller (TCI-201)

Multi zone Hot Runner Temperature Controller

DIGITAL COUNTERS

Industrial Counters

Universal Counters

Programmable Counters

Preset Counters

8 Digit Counters

Digital Counters

Factsheet

Year of Establishment : 1986

Nature of Business : Manufacturer, Supplier, Trader

Total Number of Employees : Upto 10 People

Primary Competitive Advantage : Experienced R & D Department Good Financial Position & TQM
