About Us

Incepted in the year 2002, Excel Enclosures is engaged in manufacturing of quality enclosures with special facility to access the grouting. Our range includes Swivelling Joint, Lifting Provisions, Hinges and Angles, Channels, Drawing Pocket and Members Mounting Brackets, CNC Pendant - Model -II and Modular Frame Structure. These are appreciated for their modularity, precise functioning and longer service life. Further, we also offer effective after-sale services such as installation, modification, corrective and preventive maintenance for our range of enclosures.

We have with us two state-of-the-art manufacturing units, which assist us in catering bulk requirements of our clients. Moreover, our experienced professionals are highly competent and are able to comprehend the current industrial trends. Our team of quality controllers checks our enclosures on well defined parameters ensuring that these are in line with industry standards.

Under the able guidance of our owners **Mr. B. S. Shirke and Mrs. Vidya Shirke**, we have carved a niche for ourselves in the domestic market. With their sharp business and industry knowledge, we are able to deliver excellent quality range of products. It is due to the dedicated work of our professionals and efforts of our owners, we have been able to gain support of our clients across the nation.
