

GEOMETRIX

AUTOMATION AND ROBOTICS SOLUTIONS

Corporate Brochure

We are engaged in providing a wide range of robotic solutions, automation solutions, industrial automation solutions and advanced automation solutions. Besides, we also offer training services to our clients across the globe.

GEOMETRIX

AUTOMATION AND ROBOTICS SOLUTIONS

- Profile -

Established in the year 2008, we Geometrix Automation & Robotics are newly started organization engaged in offering a wide range of automation and robotic solution, robotic solutions and automation solutions, industrial automation solutions, advanced automation solutions, robotic solutions, industrial robotic solutions, custom robotic solutions, mechanical design, mechanical design services and mechanical design engineer. Owing to our stringent quality measures we are confident that our wide product range is at par with the international standards and are capable of meeting high performance demands of our clients. Moreover, we also offer our clients with services for controls engineering, mechanical designing, simulation & robot offline, system integration & onsite support. Apart from this, we also have the proficiency to offer training services for packaging solutions. Our spectrum of services and products meet the demands of automotive, aerospace, engineering and heavy industries. Backed by a state-of-the-art facilities and a highly experienced and dedicated team of professionals, we are able to constantly provide our clients with high quality products and services. Our professional approach coupled with timely deliveries and ethical business policies has helped us in establishing cordial business relations with our clients based across the globe. Some of the reputed clients associated with us are Thyssenkrupp Drauz Nothel Fel, Germany, Simon Automation, Mexico and FEV India Pvt Ltd. We are led under the able guidance of our Promoter Mr. Prafullakumar Khachane. He has always been a source of inspiration for everyone in the team.

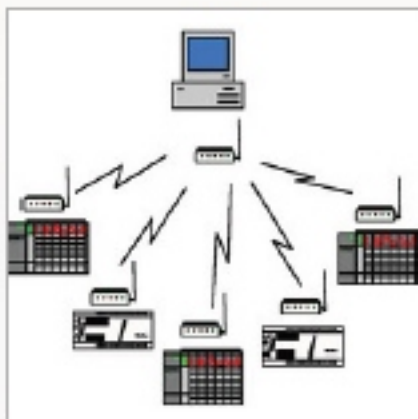

GEOMETRIX

AUTOMATION AND ROBOTICS SOLUTIONS

Robotic Solutions:

We are engaged in providing a wide range of robotic solutions. Besides, we also offer training services to our clients across the globe. We offer robotic cells, plc, hmi & scada, simulation & robot offline programming services and system integration & onsite support.

PLC, HMI And SCADA

**System Integration And
On Site Support**

**Robotic Laser Cutting
Service**

Robotic Spot Welding

GEOMETRIX

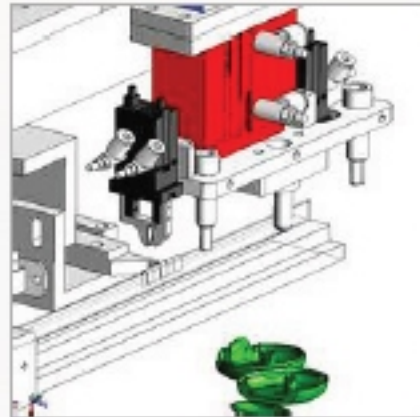

AUTOMATION AND ROBOTICS SOLUTIONS

Automation Solutions:

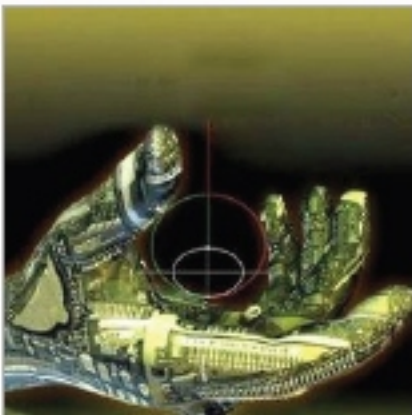

We are engaged in a wide range of automation solutions. Additionally, we also offer our clients with services for, mechanical designing, simulation & robot offline, controls engineering, system integration & onsite support. Besides, we also have the proficiency to provide special services like private labeling.

Training Services

Mechanical Design Works

**Control Engineering
Services**

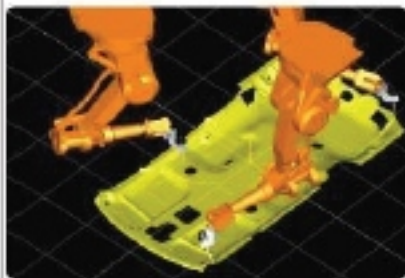

GEOMETRIX

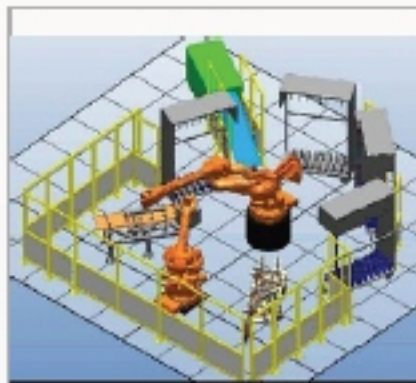

AUTOMATION AND ROBOTICS SOLUTIONS

Robotic Systems Integration:

We are engaged in providing a wide range of Robotic Systems Integration. Besides, we also offer training services to our clients across the globe.

**Robot Offline
Programming Services**

**Robotic Pick And
Place/Material Handling**

Robotic Cells

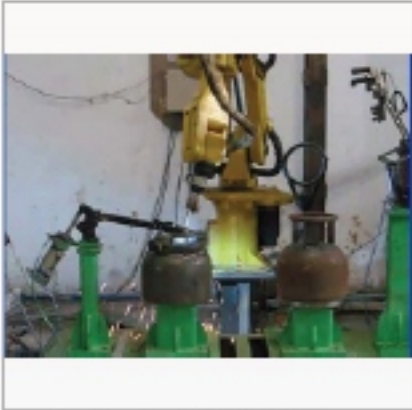

**Robotic CNC Machine
Tending**

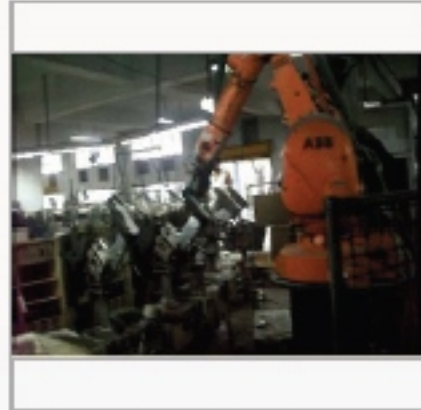

GEOMETRIX

AUTOMATION AND ROBOTICS SOLUTIONS

Other Products:

Robotic Mig Welding

Robotic Roughing/Spraying

Robotic Roller Hemming

Robotic Press Tending
