

Lympro Chem Private Limited

www.lymprochem.com

We are one of the topmost manufacturers and suppliers of Polyurethane and Coatings Products. Owing to their excellent adhesion property and high resistance to abrasion, the offered products are well appreciated among the customers.

Profile

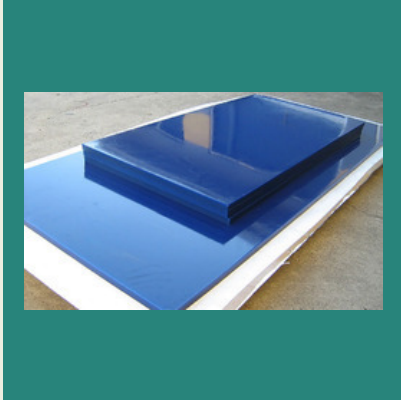

Started our operation in, **2004**, we, **Lympro Chem Private Limited**, are one of the leading manufacturers and suppliers of Polyurethane and Coating Products. We are offering a diverse range of products including the Polyurethane Prepolymer, Waterproof Coatings and Polyurethane Coating. Backed by a team of skilled professionals, we keep providing the best quality polyurethane products to our customers. Coming with their excellent adhesion property and high resistance to abrasion, the offered polyurethane coatings are much demanded in the markets. Also, the range of potting compounds is much appreciated for its resistance to jerk and vibration and excellent retention of electrical insulation properties.

We are equipped with a huge infrastructure to process the best quality polyurethane products for our customers. To ensure an easy execution of all the processes, we have divided our infrastructure into various units. At our manufacturing unit, the latest technology machines are utilized to process the polyurethane products as per the industry set norms. We too procure the quality assured polyurethane & other raw materials from our trusted and reliable vendors. Also, the processed polyurethane products are strictly tested to ensure only the standard quality products are delivered to customers. For manufacturing the latest and the most convenient polyurethane products consistently, we have been able to cater a huge clientele inclusive of including Tata Power, Reliance Power, Tata Motors and many others.

Under the valuable mentorship of our director, **Mr. Mangesh Saraf**, we have been able to carve a unique niche in this domain. He possesses a vast knowledge and experience of this domain and help us in staying ahead of our industry counterparts.
