YOY GROWTH

Our Strengths – Infrastructure - Locations

NASIK PLANT

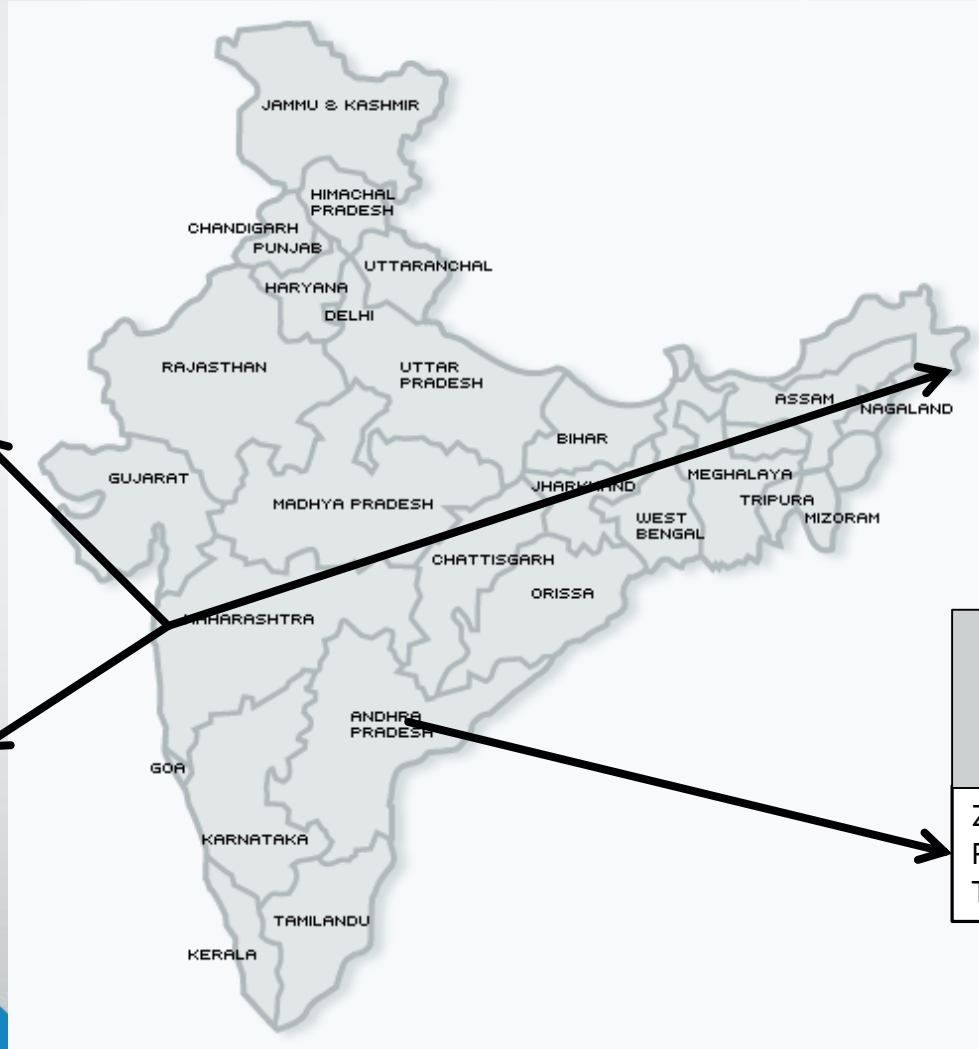

Nasik - 3 Plants
Total Area: 2 Lacs Sq. Ft

CHAKAN PLANT

Chakan - 3 plants

Press Shop & Assy Plant – G7,
Chakan
Total Area: 1 Lac Sq. Ft

Banjo & Axle Tube Plant
Total Area - 0.6 Lac Sq. Ft

CHAKAN PLANT

MVML Supplier Park Plant
Total Area – 1 Lac Sq. Ft

ZAHEERABAD PLANT

Zaheerabad (Telangana) 2 Plants
Total Area - 2 Lacs Sq. Ft

Our Strengths

3 Plants in Nasik

Nasik Plant:

No. of Plants: 03

Total Area: 2 Lac Sq. Ft.

Total Manpower: 950

Our Strengths

3 Plants in Chakan, Pune

Chakan, Pune Plant:
No. of Plants: 03
Total Area: 2.60 Lac Sq. Ft.
Total Manpower: 1100

ENGINEERS
PVT. LTD.

MUNGI
ENGINEERS PVT. LTD.
Plot No. G-7, Chakan Industrial Area,
Phase III, Pune 410501.

Our Strengths

2 Plants in Zaheerabad, Telangana

Zaheerabad, AP Plant:
No. of Plants: 01
Total Area: 2 Lac Sq. Ft.
Total Manpower: 650

Our Strengths Machines & Set Up

- Stamping Capacity from 100 Ton to 1500 Ton
- Stamping from 0.6mm to 16mm thick material.
- HSS up to DP590 grade Stamping

Our Strengths Machines & Set Up

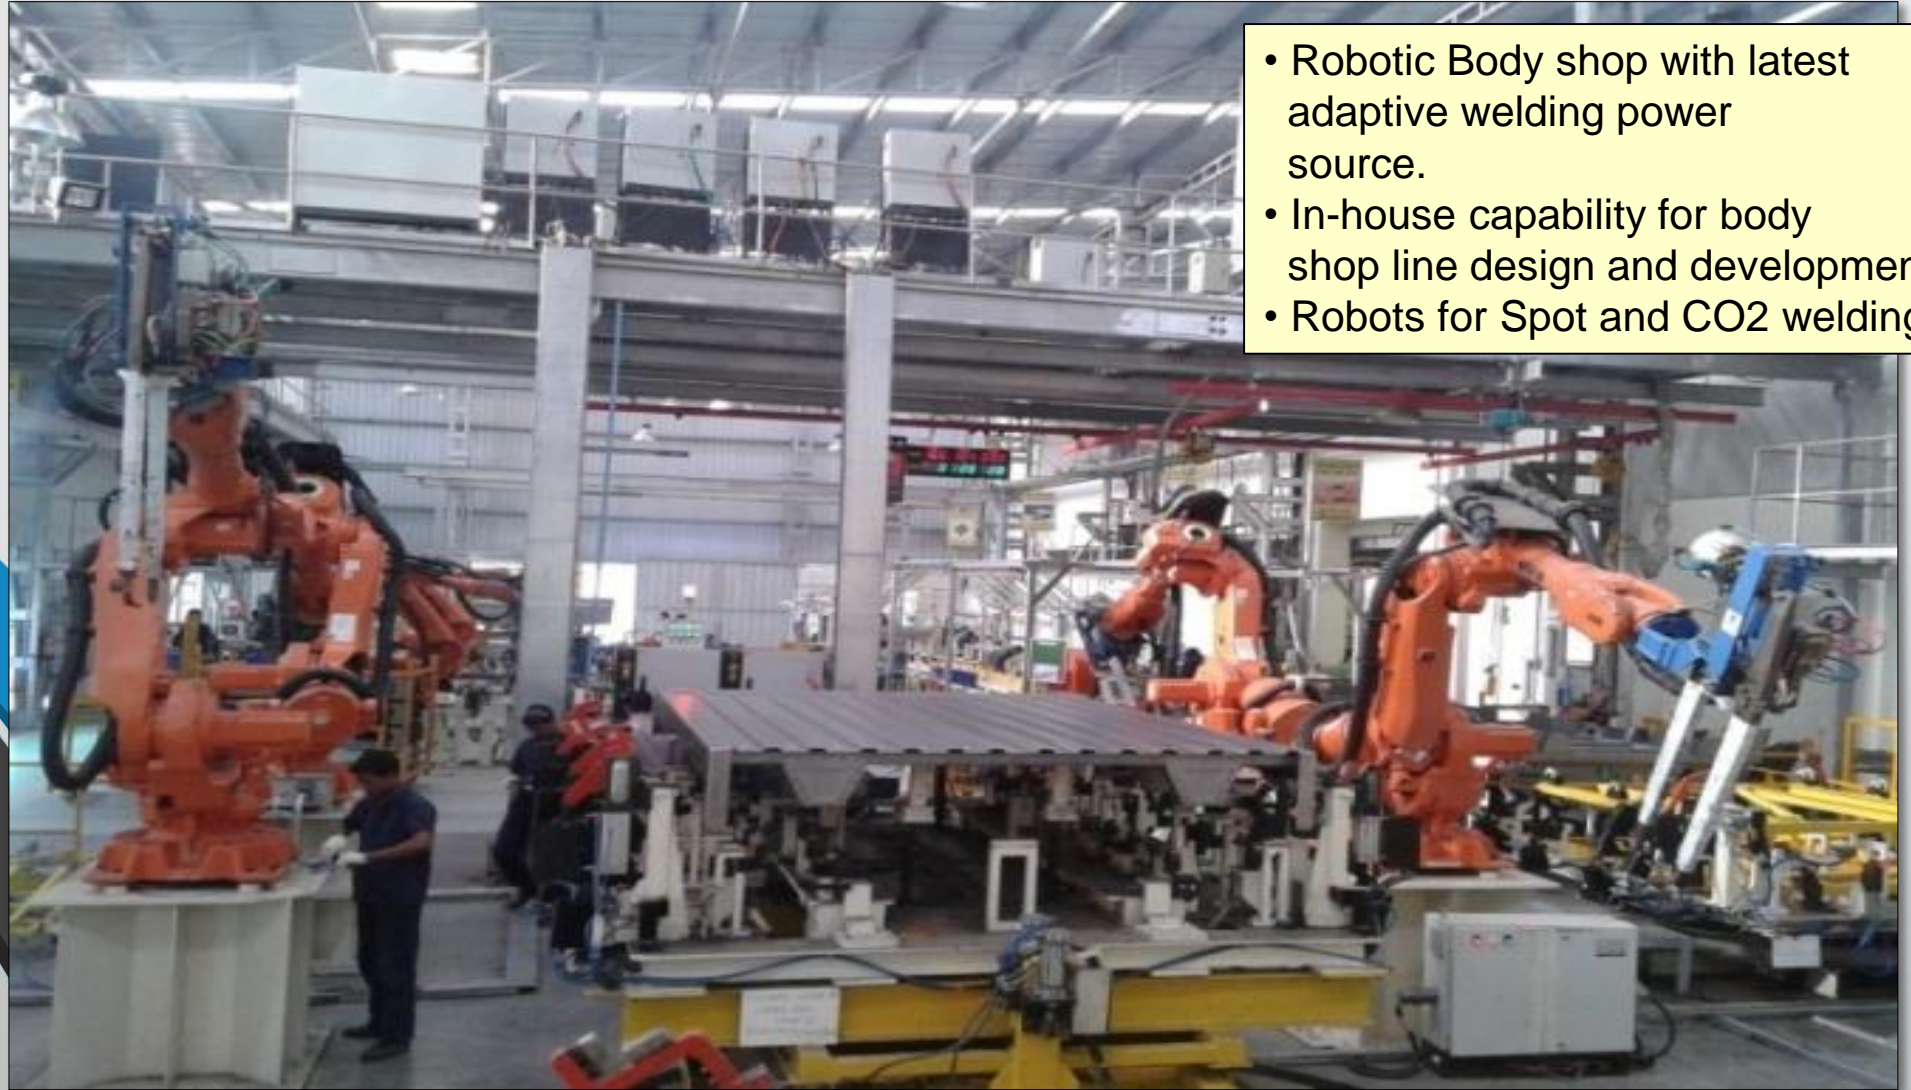

- Roll Forming Capacity up to 1500mm width
- Stamping from 0.6mm to 1.5 mm thick material.
- Online Punching, Spot welding and Fly Cutting

Our Strengths Machines & Set Up

- Robotic Body shop with latest adaptive welding power source.
- In-house capability for body shop line design and development
- Robots for Spot and CO2 welding

Our Strengths Machines & Set Up

- Robotic Body shop with latest adaptive welding power source.
- In-house capability for body shop line design and development
- Robots for Spot and CO2 welding

Our Strengths Machines & Set Up

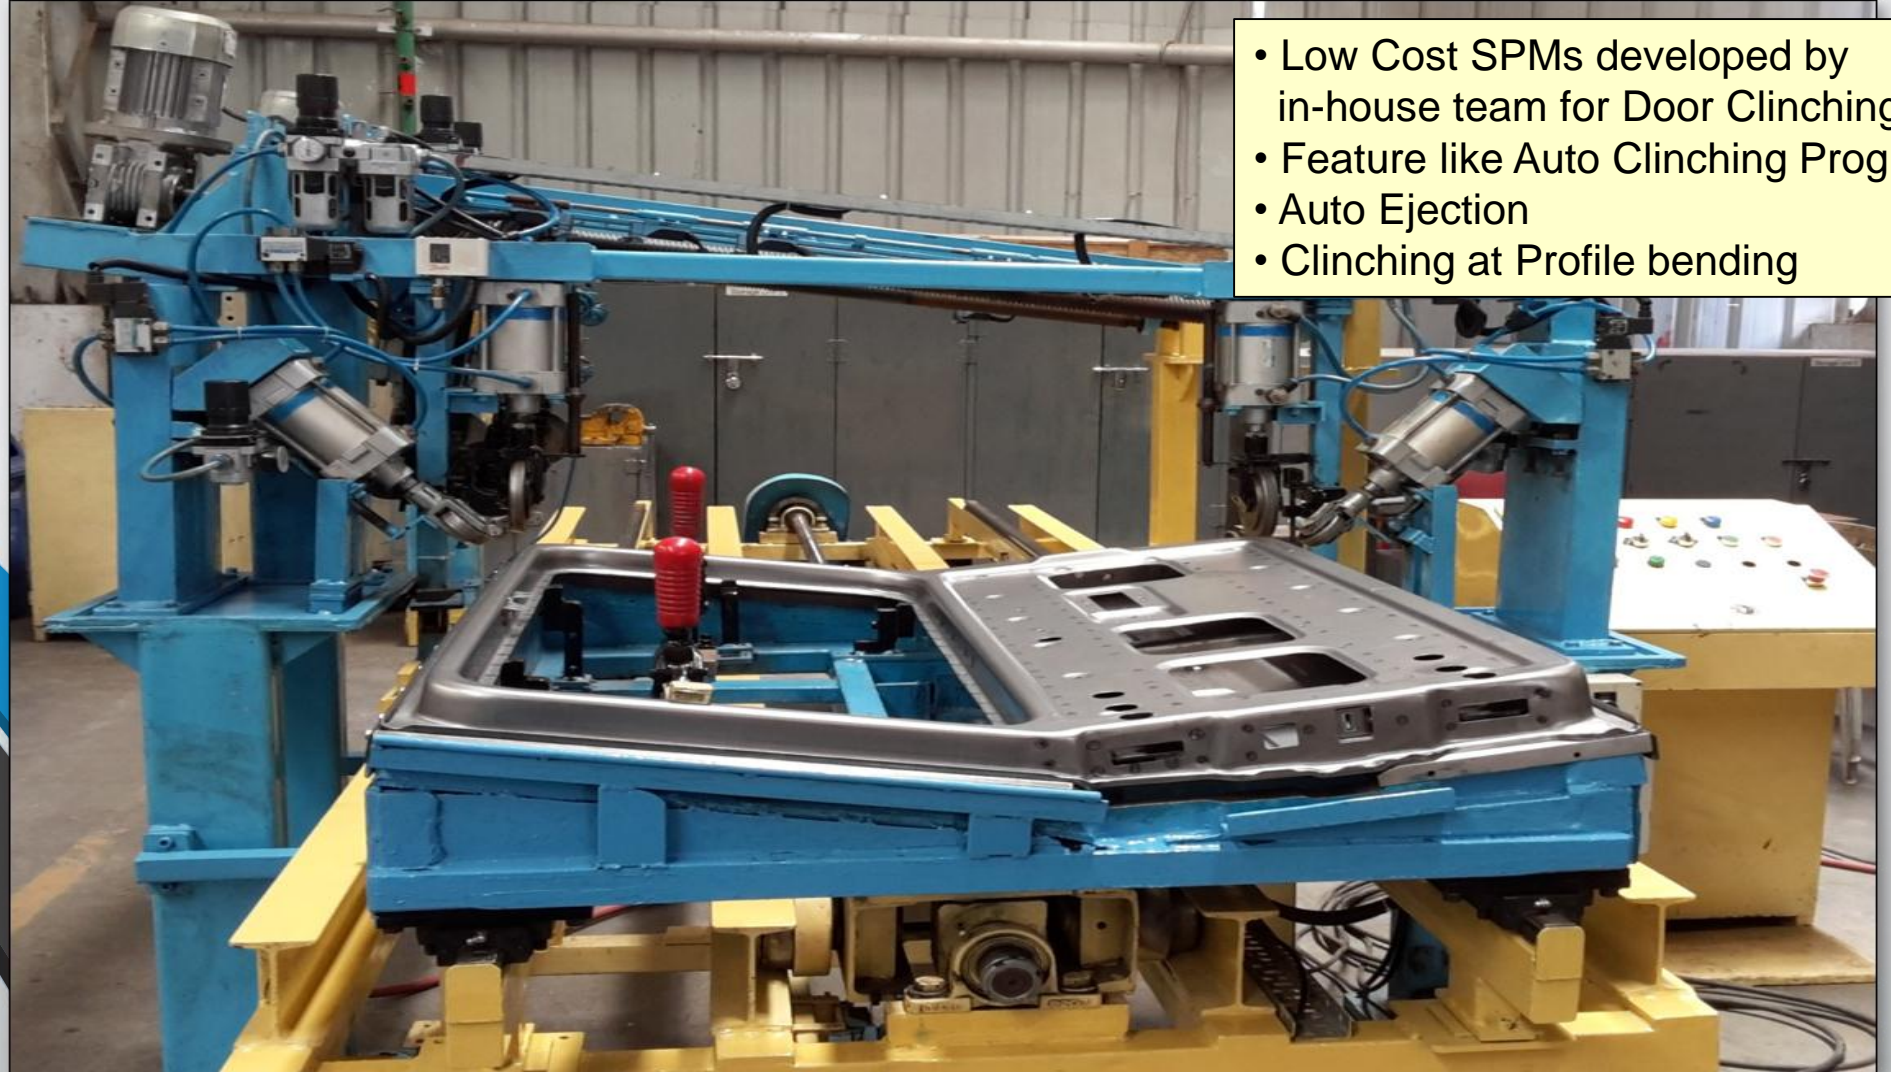

- Low Cost SPMs developed by in-house team for Seam Welding.
- Feature like intermediate Spot Pitch
- Auto Tip Dressing
- Adaptive Controller

Our Strengths Machines & Set Up

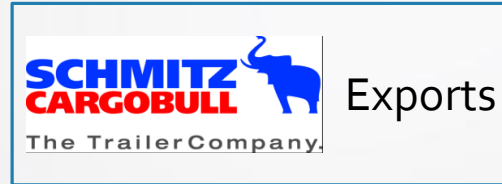

- Low Cost SPMs developed by in-house team for Multi Head Spot welding
- Feature like 10 spots at a time
- Auto Tip Dressing
- Adaptive Controller
- Modular for multiple Assy.

Our Strengths Machines & Set Up

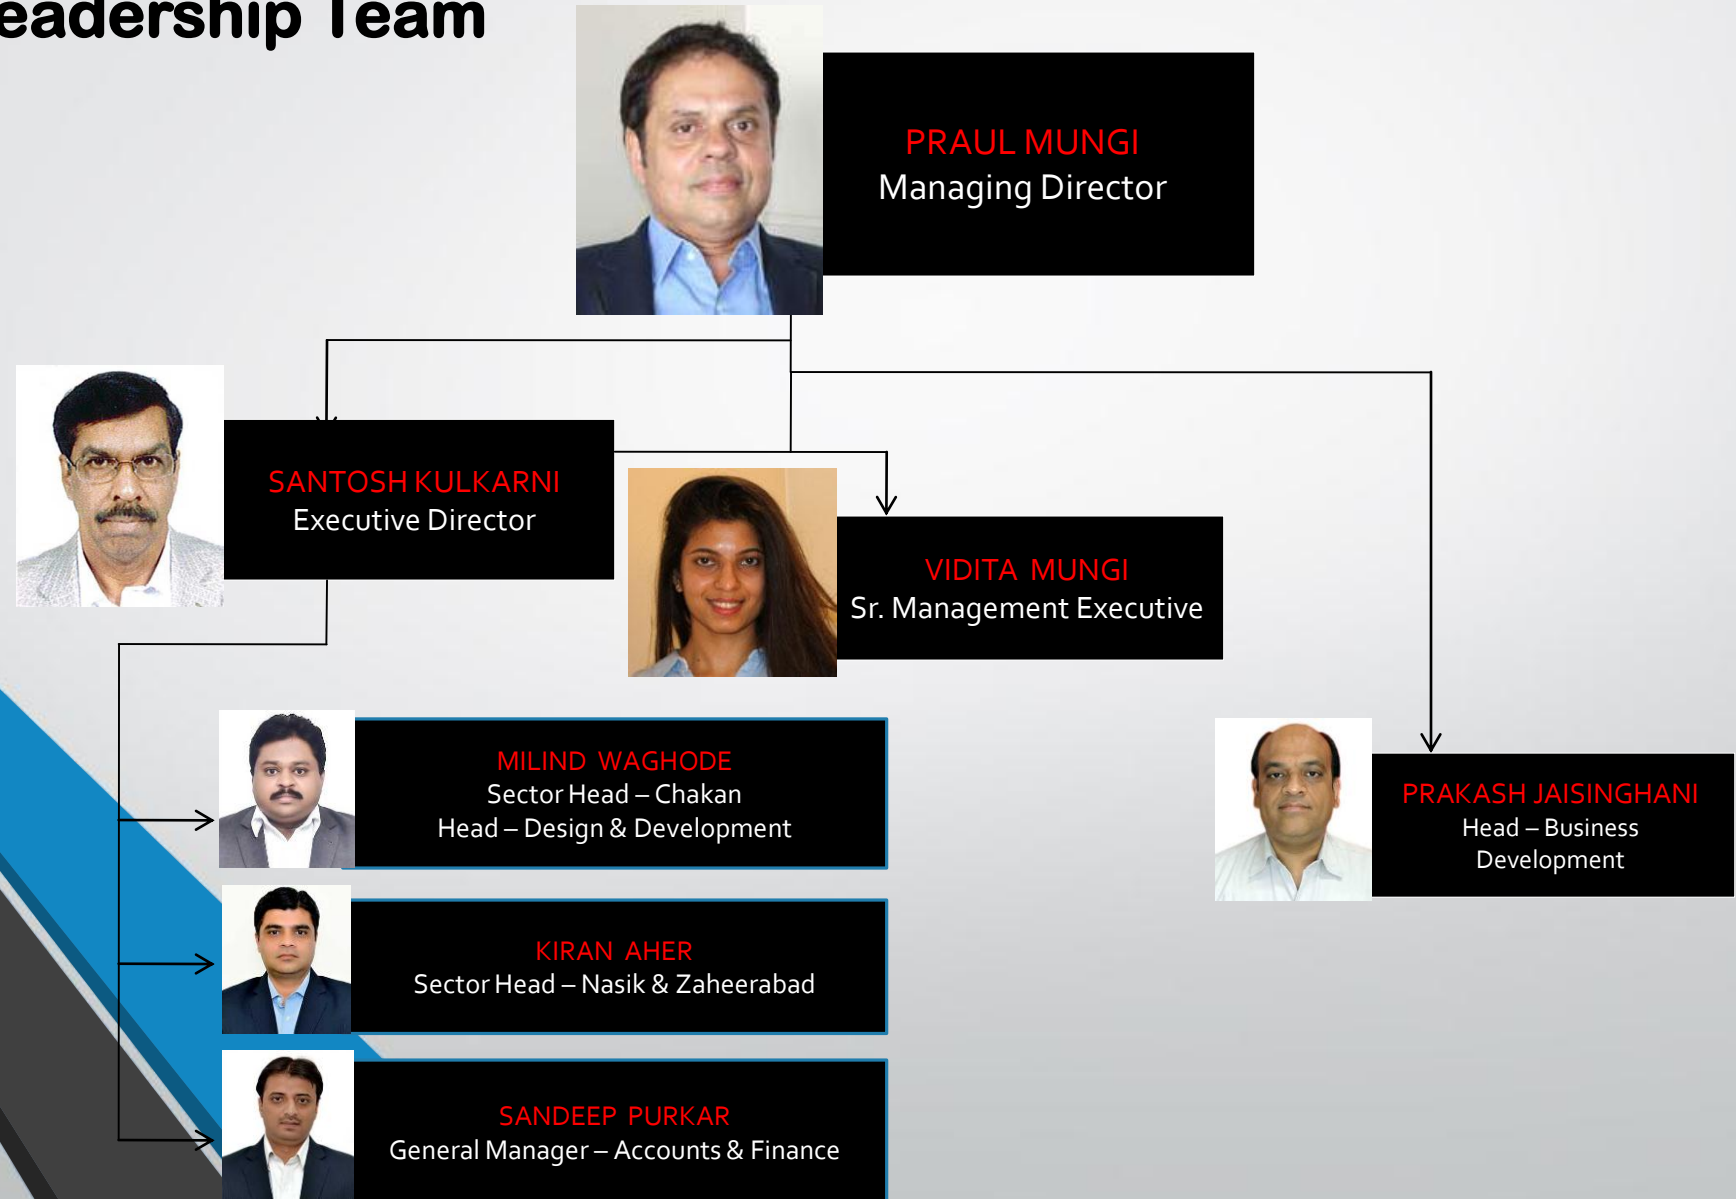

- Low Cost SPMs developed by in-house team for Door Clinching
- Feature like Auto Clinching Program
- Auto Ejection
- Clinching at Profile bending

Our Strengths - Goodwill Amongst our Customers

Our Strengths – Human Asset

Our Leadership Team

STRATEGIC TEAM

DEPARTMENTAL HEADS

Our Strengths – Human Asset

HR Activities- Focus on employee health

Yoga Sessions

Objective: To create health awareness and improve employee fitness via complementary yoga facility to all employees.

Plant!**

Our Strengths – Human Asset HR Activities- Focus on employee teamwork

**Participation in sports activities &
sports week**

**Objective: To build team work and
leadership capabilities amongst
employees through sports.**

**No Union
at Any
Plant!**

Our Strengths – Human Asset HR Activities- Rewards and Recognition

Welder Skill Enhancement Competition

Man of the month- for shop floor employees

Talent Recognition- for white collar staff.

Champion scheme for Operators

Our Strengths – Sound Financials

- **BBB+ Rating by ICRA**
- **Financial Governance – Approval & Monitoring by ERP**

About the Products / Business Verticals

• Sheet Metal

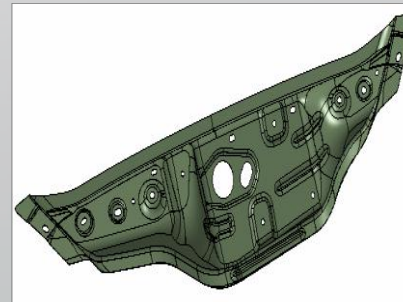

Stamping

- ✓ Capacity from 0.6mm to 16 mm
- ✓ Range from 100 Ton to 1500 Ton Presses
- ✓ 6 Mtrs. Long Press Brake
- ✓ High Strength Steel DP590 Parts
- ✓ Multi Stage Single Tool (1 Part 1 Tool)

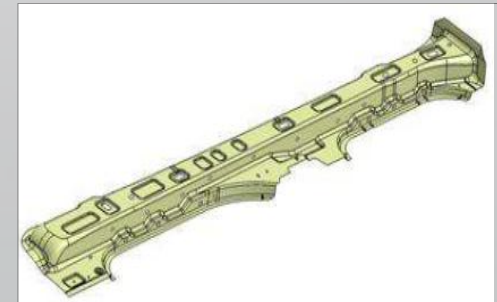

DP 590

DP 590

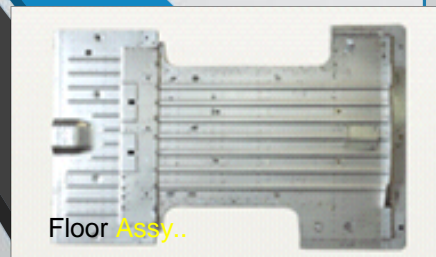

DP 590

About the Products / Business Verticals Cont...

• Sheet Metal

Auto Assemblies

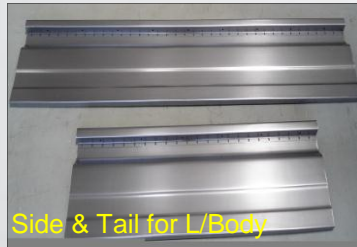

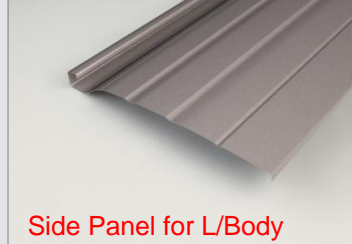

- ✓ Robotic Spot and CO₂ Welding
- ✓ Robotic Set up with Auto Tip Dresser
- ✓ Spot Welding Source with Adaptive Controller
- ✓ CMT Welding Source for Door Sash Welding
- ✓ Low as well High Volume Assy. Line.
- ✓ Complete Testing Lab to ensure Spot & Co₂ Weld Strength (Non-Destructive)

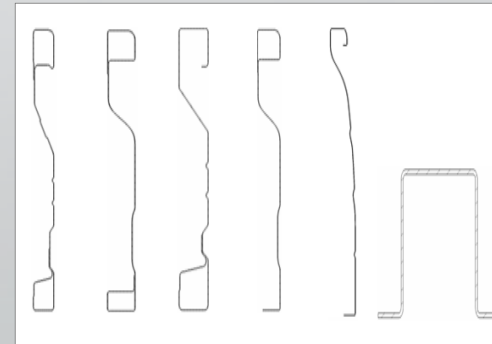

About the Products / Business Verticals Cont...

• Sheet Metal

Roll Forming

- ✓ Capacity from 100 mm width to 1250 mm width
- ✓ 7 Rolling Mills in operation
- ✓ Integrated online Straightening -> Punching -> Forming -> Spot Welding -> Cutting.
- ✓ Products : Cargo Body Side Panels, Floor Panels Cross Members etc.

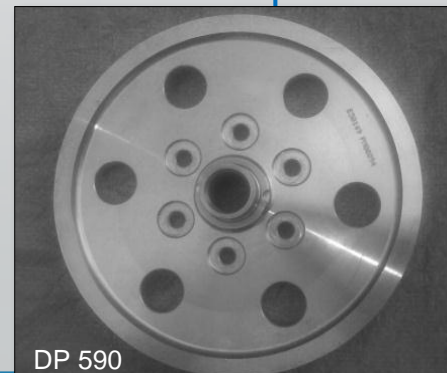

About the Products / Business Verticals Cont...

Forging

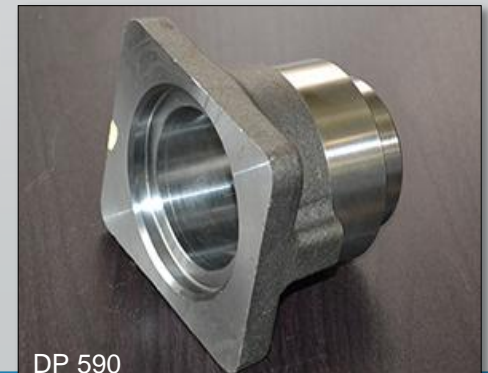

- ✓ Fleshless Forging
- ✓ 1600 Ton & 1000 Ton Presses
- ✓ Capacity up to 7 Kg parts
- ✓ CNC Billet Cutting
- ✓ Conveyorized Electric Billet Heating
- ✓ In house normalizing, Shot Blasting &
- ✓ Complete Inspection / Testing Facilities
- ✓ CNC Machine Shop

Door Sash for Passenger Car

- ✓ 35 & 15 Stage Roll Form Setup with online Spot Welding, Curving & Cutting.
- ✓ Stretch Bending Setup.
- ✓ Robotic Welding with CMT Source.
- ✓ Saw Cutting with Auto De-Burr SPM.
- ✓ Quality Check by latest technology.

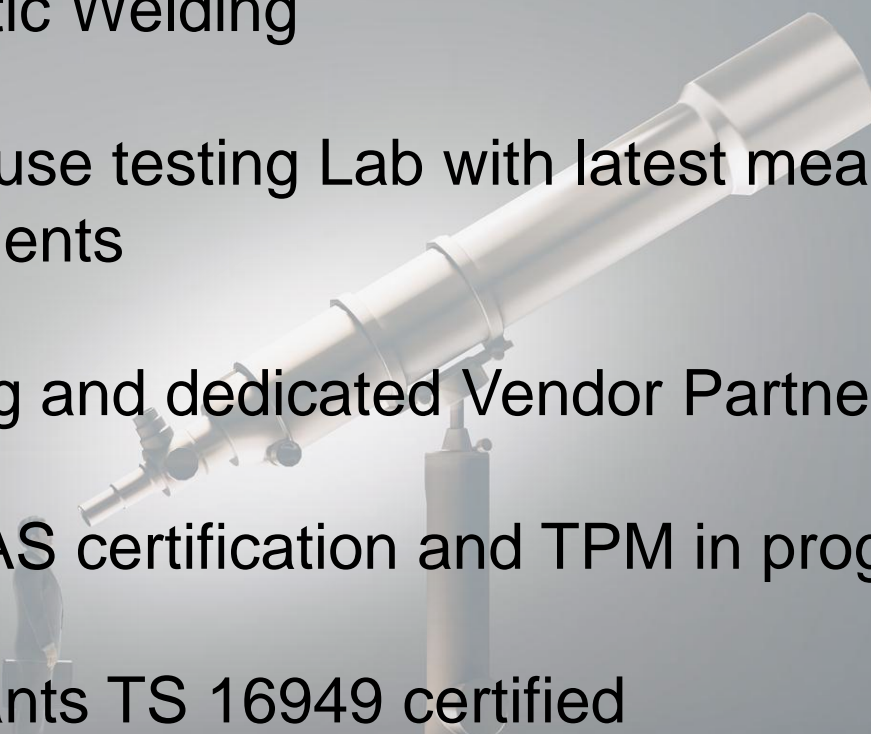

Seat Frames

- ✓ Complete Assy. Line with Robotic Welding Setup.
- ✓ Modular Assy. Fixtures for Quick Change over for variants.
- ✓ In-House Powder Coating Setup.
- ✓ Cost Effective Gang Tools.
- ✓ Quality Check - 100% online by electronic device

Safety and Quality Focus

**Mungi's Quality
Slogan: "Safety
first, quality must!"**

- Robotic Welding
 - In-House testing Lab with latest measuring equipments
 - Strong and dedicated Vendor Partners
 - OSHAS certification and TPM in progress
 - All plants TS 16949 certified
-

Our Business Philosophy...

Our Business philosophy is very simple and is embodied in the following quote by Collis Potter Huntington...

“We shall build good ships here;

At a profit if we can,

At a loss if we must, but always good ships.”
