

Nisaar Sutar

ABOUT US :

Olive Industries is established by Late **H. P. Sutar** and **Late K.H. Sutar** in 1942 at village **Bagani**, Taluka-Walwa , Dist.-Sangli , Maharashtra 416302 named **M/s Sutar Engineering Works** to fulfill local needs like Engine Repairing, Agricultural Implements, Fabrication, Flour Mill, Water Irrigation Works, Plumbing, etc. Today Industry has transformed from a locally based business into a sophisticated growth oriented organization named as "**Olive Industries**" located at Pune, Maharashtra.

Now industry is being run by **Mr. Nisaar Sutar** son of **Late K. H. Sutar** with his highly qualified and dedicated team in different manufacturing commodities viz. Automobile sheet metal press components, CNC Components, Tool Manufacturing, Agro Implements, Upholstery Items, Ballata Packings, Household Steel Fabrications, Rolling Shutters, Home Appliances, Trading of Steel and Safety Items, with the future scope of Import Export and all in one destination for all agricultural needs.

Work Address:

(Plot No.:290, Sector-10, PCNTDA, Bhosari, Pune, 411 039)

OUR SCOPE :

- Sheet Metal Press Components,
- Steel Fabricated Assemblies,
- Seating Components,
- CNC Components,
- Tools, Dies, Fixtures,
- Agricultural Implements,
- Ballata Packing's & Upholstery,
- Import & Export,
- Trading of different Commodities.
- Proto Components.

OUR MAJOR CUSTOMERS :

- LEAR Corporation Ltd.
- Virgo-EMERSON.
- CAPARO Engg. Pvt. Ltd.
- Syska LED Lights Pvt Ltd.
- Rinder India Ltd.
- AVI Worldwide.
- Adient India Pvt. Ltd.
- Track Components.
- Agricultural Market
- Traders of Home Appliances & Hardware's.

PRESS COMPONENTS:

We are manufacturing:

Head lamp holders & brackets for Rinder India.
(Model-Isuzu-MUV)

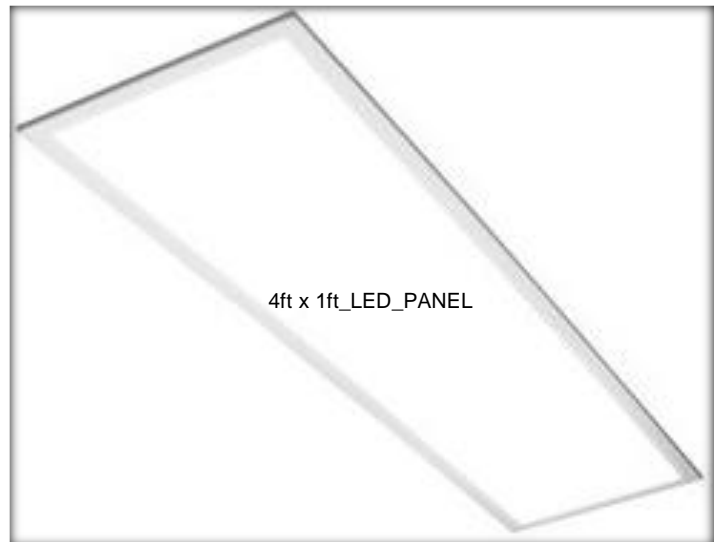

- ❖ Various types of brackets & reinforcements for Piaggio Ape Commercial Vehicle.
- ❖ AC brackets for Tata ace (1T)
- ❖ Valve handles & brackets for Virgo-EMERSON.
- ❖ Different types of sub-assemblies, plated, powder coated components for seat assemblies required for tata Hexa model to LEAR Corporation.
- ❖ Brackets for water heaters for RACOLD India.
- ❖ We are manufacturing different types of led panels with agricultural implements.

WELDING & FABRICATION:

- ❖ We have inhouse facility for: Spot welding: & Projection welding. CO2 welding:

SYSKA LED Panels:

CNC COMPONENTS:

We are manufacturing:

- ❖ Drain Plugs & Drain Nuts to Drain out Used Engine Oil in Mahindra Truck Engines during engine maintenance.
- ❖ Hinge mounting pins for Mahindra Trucks.
- ❖ Big adaptors and Small adaptors. for hose clamping in engine sump assemblies in Mahindra trucks.
- ❖ Plug attachment used in suspension assemblies of Piaggio commercial vehicles.
- ❖ Inlet & outlet bush for secure meter upper & lower casing's with knurling process.
- ❖ Many CNC items with thread rolling & heat treatment.
- ❖ CNC Drain Plugs for JCB, etc.

RIVETTING & STITCHING:

We have facility of orbital riveting

- ❖ Riveting Sub assemblies & assemblies.
- ❖ Supplying Free Pivot & Cable Support with Strap Stitching.

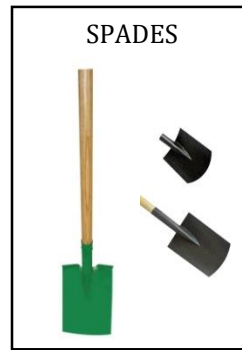

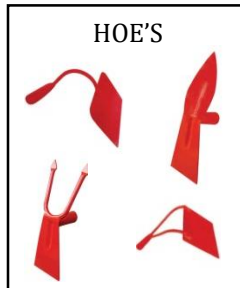

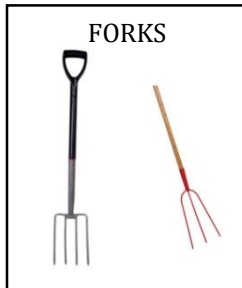

AGRICULTURAL IMPLEMENTS:

We are manufacturing:

- ❖ Different types of Hand tools like Cultivators, Forks, Hoes, Rakes, Shovels, Spades, Sickle, Hand Trowel, Hand Transplanter, Weeder, Hand Fork, Choppers etc.

ROLLING SHUTTER SPARES, FABRICATION, GP PROFILE SHEETS :

We are manufacturing: since 1971 at village Bagani, Tal-Walwa, Dist.: Sangli-

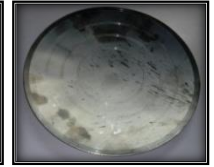

- ❖ Different types of household fabrications viz. Grills, Windows, Doors, Gates, Stare Case, etc. as per customer requirement.
- ❖ We are fabricating & erecting Sheds.
- ❖ We are expert in Rolling Shutter manufacturing with all spares with support of trading of Shutter Coils, Shutter Strips, Guides, Bottoms, Springs, Rings, Covers, all types of brackets with own manufacturing facility.
- ❖ We are also manufacturing different types of Household appliances like Frying PAN's, etc.
- ❖ We do all types of maintenance in Agricultural Implements since last 50 years with wide range of experience.
- ❖ We have future plan with inhouse Forging Plant with all resources required to manufacture all types of Power Tools and agricultural implements.

HOME APPLIANCES:

We are also manufacturing different types of Home Appliances with Indian Quality which is highly demanding in rural areas with traditional ways. Viz.: Roti Tava, Chapati Tava, Kadhai, Dosa Tava etc.

TOOL ROOM:

We have inhouse conventional tool room with skilled manpower:

We have wide range of experience in tooling:

- ❖ We have made critical tools with component development for Isuzu mini truck model.
- ❖ We have developed tool set for secure meter upper & lower casings.
- ❖ We have developed many inspection & welding fixtures with standard norms.

Future Projection:

- ❖ Planning to have inhouse VMC to strengthen & enhance customer support with full fledge development facility.

INHOUSE FACILITY:

- Press Machines 10T to 300T.
- Inhouse Tool Room.
- CO2-Welding.
- Spot Welding.
- ARC-Welding.
- Pipe Bending.
- Press Brake.
- Riveting.
- Stitching.
- Fabrication.

OUR FUTURE PROJECTIONS:

- Total Quality Peoples.
- Daily Works Management.
- Learning & Educating Organization.
- Employee Motivation.
- Continual Improvement.
- Turret & Laser-cutting Facility.
- Full Fledge Inhouse Development Facility.
- Own Forging Facility.
- Poultry, Hatchery, Poultry Feed.
- Goat Farming.
- Infra & Real Estate.
- One Stop Destination For Agri Needs.
