U.S.A. for over three years. Deltech has full-fledged set of Manufacturing in Pune. Some of the Deltech products that we offer are:

(i) **DelVal Butterfly Valves:** One-piece stem, with precision doubled engagement, to ensure positive drive to disc, eliminating potential leak paths arising out of pin joints. Their blowout-proof construction ensures safety and easy disassembly of valve. They have a heavy duty seat / center-Lock design for positive locking of seat in body. Seat is replaceable for easy maintenance.

(ii) **DelTorq Pneumatic Actuators:** Rugged, compact and modular design, with torque outputs higher than any other comparable make for an equivalent size. Direct Mounting on Butterfly Valves eliminates the need of brackets and couplings. Easy adjustment of + / - 5 degree in open and close directions ensures perfect alignment of valve seating and open & close limits.

3) Ball, Gate, Globe, Check Valves:

We offer **Deltech** full range of Ball valves & **Expert** range of Gate, Globe, Check Valves & Knife Edge Gate valves. For the last 5 years both these companies have Designed, Developed, Manufactured & Supplied products to the following application:
