

SAHYADRI INDUSTRIES

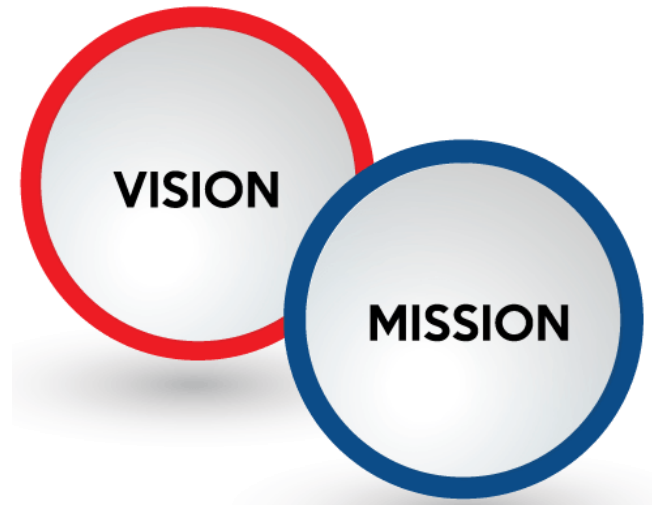

Vision

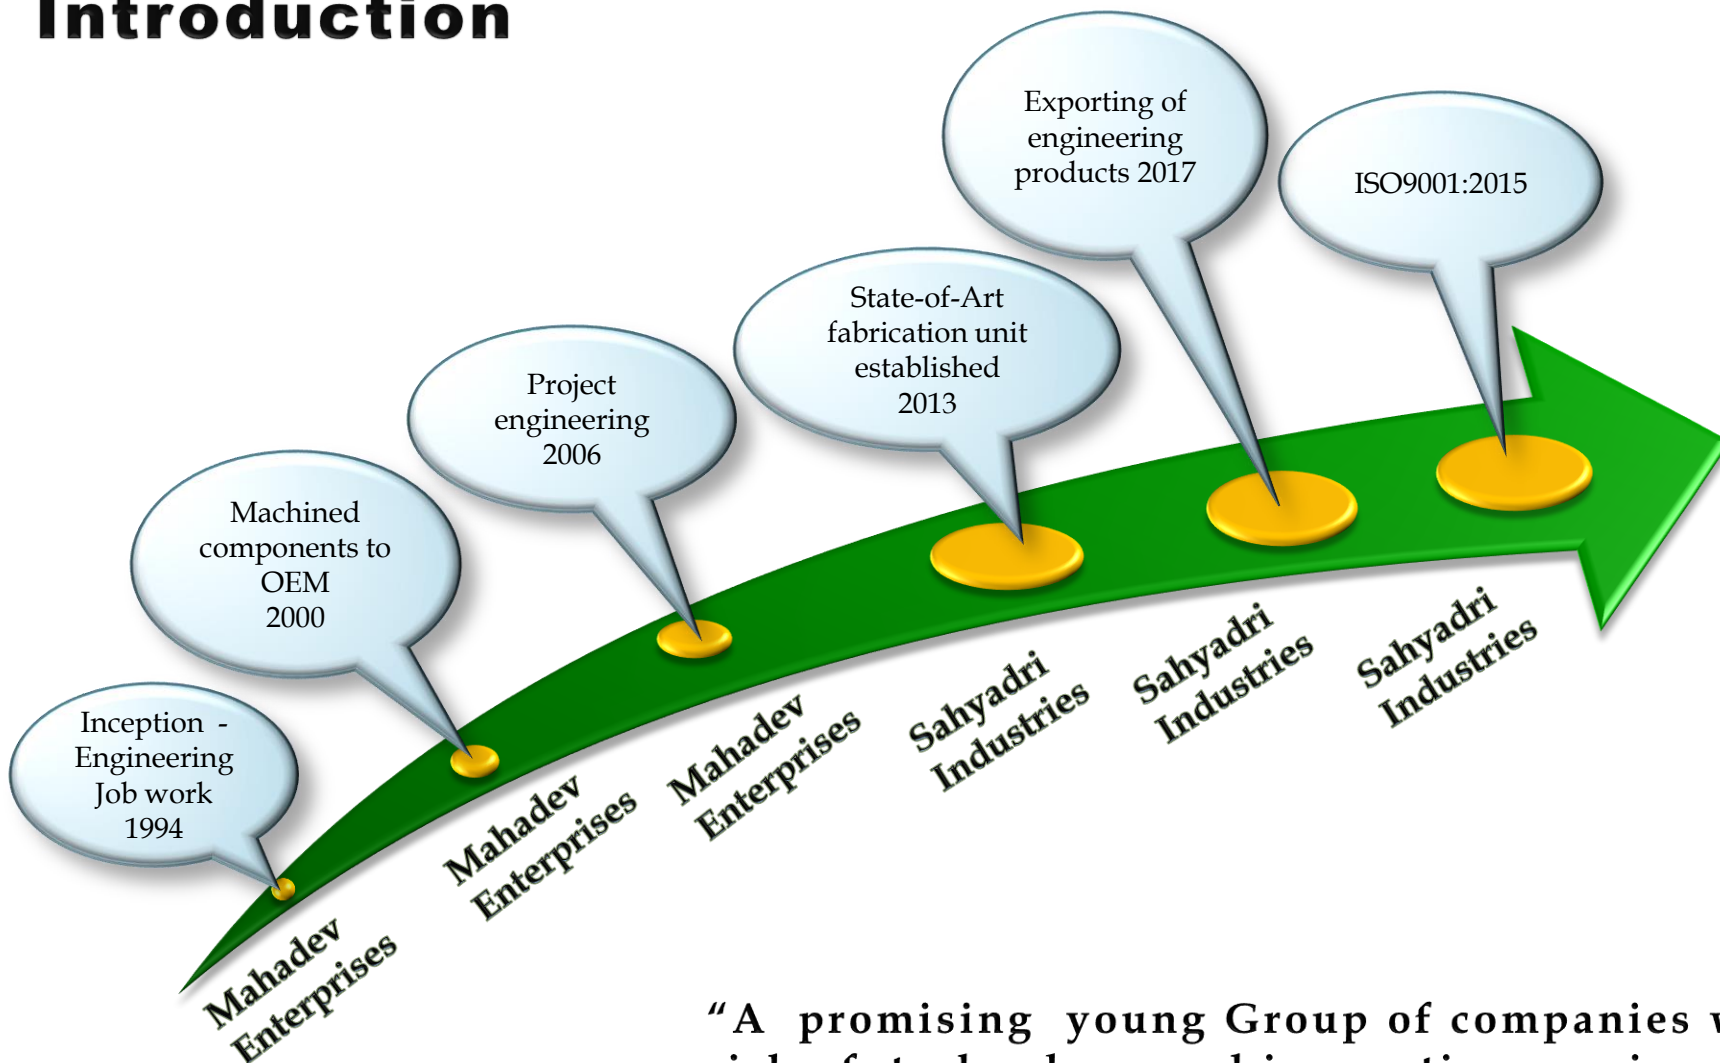

To provide innovative and excellent solutions in fabrication & machining components, assemblies across the globe by 2025

Mission

Achieving Excellency through persistent and resilient team work, New age technology and design analysis

Introduction

“A promising young Group of companies with rich of technology and innovation moving ahead with co-creation framework”.

Product Vertical

- Heavy Fabrication
- Medium & Small fabrication
- Engineering Assembly
- Special Purpose Structures and components
- Machined Components

Products: Heavy Fabrications

Bucket - Excavators

Link arm

Foot step bracket

Hydraulic & Fuel Tank

Crusher Bars

Counter weight

Base Frame

Lifting Arm

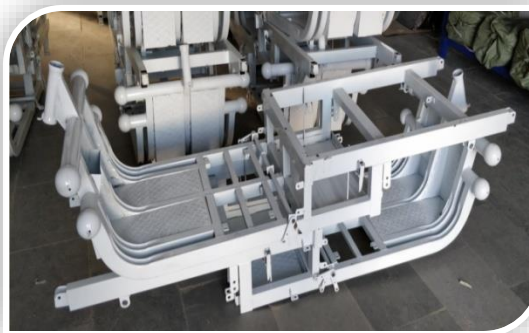

Scraper Blade

Products: Heavy Fabrications

Base Frame

Chassis Electrical Vehicle

V Adiabatic Structure

Platform - Base

Water Cooler with Blower

Y- Bracket

Structural Beam

Flanged Pipe

Bucket Link

Products: Medium Fabrications

Expansion Tank

Water Tank -TM

Discharge Channel

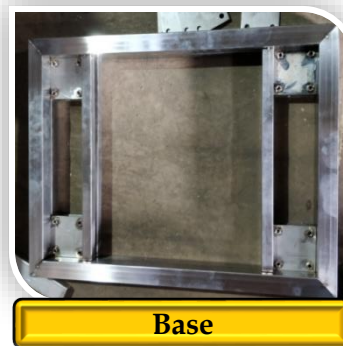

Discharge Hopper

Feeding Hopper

Sun Roof Leg

Base

Fan Ring

Products: Small Fabrications

Transport Lock

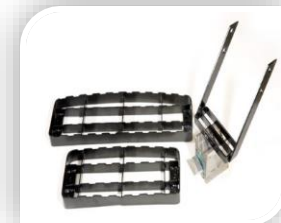

Side Angular Bracket

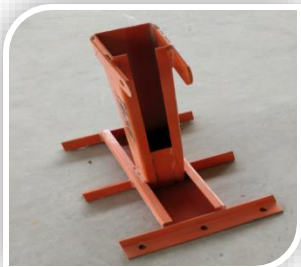

Foot Base

Deck Lock Assembly

Foot step Bracket

Wall Mtg. Bkt

Stephine Bracket

Support Bracket

Hand Rail

Products: Special purpose structures

Van trolley

Cabinet

Solar Panel Structure

Machine cabinet

Cantilever Beam

Crane

Stone Guard

Cam Assembly

Tensioner

Products: MACHINED COMPONENTS

Pin & Bushes

Flange

Stud & Screw

Plain bush

Ring

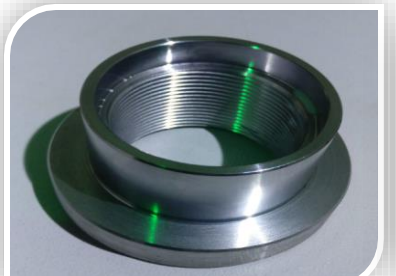

Banjo

Yoke

Hub

Collar bush
