

Sai Plastics

<https://www.indiamart.com/saiplasticspune/>

We are a reputed manufacturer, supplier and trader of a wide array of **Round Grommet, PVC Component and Dripper Mould**. These products are known for fine finish and durability.

About Us

Established in the year **2010**, **Sai Plastics** is a prominent manufacturer, supplier and trader of a comprehensive array of **Round Grommet, PVC Component and Dripper Mould**. In addition, we offer **Inline Dripper Mould, Drip Lateral System, Auto Component, Drip Irrigation System, Inline Dripper and Irrigation Inline Drip Pipe**. All these products are made utilizing optimum grade raw material and latest machines under the supervision of skilled workers. These products are provided in various specifications as per clients' exact requirements. The offered products are appreciated for durability, high strength and sturdy construction. Offered at reasonable prices, these products are highly demanded in several commercial sectors.

Owing to our quality products and fair business practices, we have engraved a niche for ourselves in this competitive market. We follow stringent quality control measures to make sure that our range of products is in conformity to international standards. In addition, we have constructed a well equipped infrastructure facility, which enables us to meet the urgent requirements of our clients within the given time frame. Due to our easy payment options and good financial position, we have garnered a wide customer base across the nation. Under the direction of our mentor, **Archana V. Palwe**, we have achieved a great name in the market. His rich experience and sharp business acumen have allowed us to scale the new heights...
