• PRINTING SOLUTIONS

Equipped with **Heidelberg Speedmaster CX 75**

The Speedmaster CX 75 is a real multi-talent. It is based on the innovative technology of the Peak Performance class of the Speedmaster XL 75

Even though modern digital imaging software can automate the process of color management, certain aspects will always remain subjective.

Having a deeper understanding of the principles behind color management and what choices to make helps printers achieve optimal printing results.

- Commercial printing
- Packaging printing
- Label printing

• Ruling Solutions

Line O Matic ST 91 - Automatic Reel to Sheet Ruling / Flexo Printing Machine

Automatic Reel to Sheet Ruling/Flexo Printing Machine consist of shaft based reel stand, 3 color printing tower and pile delivery station.

It is suitable to rule or flexo printing on paper in 3 colors.

The machine delivers ruled/flexo printed sheets in cut length as per the requirement direct from paper reel.

• CUTTING SOLUTIONS
