Unique Instruments

<https://www.indiamart.com/unique-instruments-mumbai/>

We are an ISO 9001:2008 certified manufacturer and supplier of a wide range of Electronic Weighing Systems. These products are acknowledged for their high accuracy, speed, efficiency and precision-engineering.

About Us

Established in the year **1997**, we, “**Unique Insulations**” have emerged as a reliable manufacturer and supplier of an extensive assortment of **Electronic Weighing Systems**. These products are renowned for their high accuracy, efficiency, durability, precision-engineering, speed and reliability. Our range is manufactured by our qualified engineers considering the set industry standards and prevailing market requirements. We aim at offering superior quality range of products to our clients at market leading prices. For this, we have installed advanced machinery at our infrastructure, that facilitates faster production and completion of bulk orders within committed time frame. We have sold around 20,000 weighing scales including 85 no. of Weigh Bridge till date. Our quality auditors rigorously test the products and ensure that these are in accordance with pre-defined parameters. For our high quality standard, we have been achieved **ISO 9001:2008** certifications by UKAS NRBCB. Our weigh scales are tested in R.R.S.S (regional standard laboratory)& granted license of manufacturing from weights & measure department. Besides this, we consistently work towards improvising our client service to attain the confidence and trust of them. Some of our major clients are **Agarwal Fasteners Pvt. Ltd., Sirmaxo Chemicals Pvt. Ltd. And Sayan Sugar Ltd.** Under the ethical business practices of our mentor, “Mr. L.Y. Chowgule”,...
